

## VAFC Recreational Soccer Eligibility

As much as we would like to accept any child into our program, there are certain restrictions placed on our club by the local youth sports organizations.

*The VAFC fall recreation soccer league is open to youth aged U7-U18 who reside within the boundary lines for the following elementary schools:*

**Back Creek, Bent Mountain, Cave Spring Elem., Clearbrook, Green Valley, Oak Grove, and Penn Forest.**

Residents of other parts of Roanoke County, Roanoke City and Salem City need to contact their Parks and Recreation Department to locate a club that serves their area.

Salem residents need to contact the City of Salem for verification on their participation in the fall recreation league. As the City of Salem DOES NOT have its own fall recreation league **certain restrictions apply for Salem residents to sign up with VAFC. (Note: *The participation rules for Salem residents are determined by the City of Salem.*)**

Age Eligibility: Girls U 7-U18 are eligible and Boys U7-U8 Boys.

Team Eligibility: Each allowed age group must have enough players to form a complete team composed of Salem residents. Teams must meet the minimum and maximum roster numbers. VAFC will help organize these teams, but we are not allowed to mix players from Salem with Roanoke County players.

**Exception to the above jurisdictional requirements:** If you attend a public county school within Roanoke County that is within our jurisdictional boundaries, but do not live in this area, you may participate on a VAFC Roanoke County team. However, you will be assessed an extra athletic fee by Roanoke County which allows you to participate in all youth sport programs in Roanoke County. .
